20 arcmin

This astronomical image displays a field of galaxies in a reddish-brown color palette. A white dashed line runs diagonally from the bottom-left towards the top-right. Several galaxies are highlighted with green circles and labeled with numbers: 96, 102, 104 (crossed out), 107, 110, 114, 118, 120, 121, 123, and 125. One galaxy is circled in yellow. A scale bar at the bottom right indicates a length of 20 arcmin.
